EPILEPSY FOUNDATION

The Muehlhausens are raising money in hopes to raise awareness and find a cure for epilepsy in honor of our daughter & sister Roberta, who was diagnosed with epilepsy over five years ago. After seeing several doctors and trying dozens of medications, her seizures remain uncontrolled.

The family will be walking in the Epilepsy Foundation's Twin Cities Stroll for Epilepsy on August 14. So please if you can find it in your heart to help, you can donate securely online at www.firstgiving.com/teamroberta or contact the family by phone: **651.430.3645** or by email:

"What good is it if a man claims to have faith but has no deeds...Faith by itself, if it is not accompanied by action, is dead." [James 2: 14-17]
